DEDICATION

We, the graduates of 1952, *take great pleasure in dedicating this Magistrate to our former principal, Mr. Ross Higbee, and to our present principal, Mr. Theodore Salmon.*

Through his daily efforts in his many years at Marshall, Mr. Higbee earnestly helped us to become worthwhile citizens. We deeply appreciate his interest in our welfare and want him to know that we value his friendship highly.

With his pleasant manner, Mr. Salmon, our new principal, has won our confidence and our co-operation. We wish him many happy, successful years at Marshall.

MR. THEODORE SALMON
Our Principal

FOREWORD

"We'll tell out the story
Of the school we love the best."

That pair of lines from our school song seems to sum up the attitude of those whose lives are touched by Marshall—be they students, teachers or janitors. Marshall has had that fine reputation of endearing itself to those who study and work here.

This feeling of loyalty and school spirit does not just happen. It must be paid for by many unselfish persons giving of themselves and their time beyond the call of duty. It catches on from person to person. It is a word of mouth, "glow of heart," type of loyalty. It takes years to grow and blossom and each year the flower is more beautiful.

I am but a "freshman" at Marshall and, like the other freshmen, deserve little credit for this wonderful spirit of school pride and loyalty. But I am grateful to be counted in for a chance to learn. Schools have personality—Marshall is friendly and proud and dignified. I like Marshall.

After graduation seniors will think even more "of the school we love the best." May this yearbook help to fill the void in their hearts and to bring back pleasant memories of the happiest years of their lives.

Congratulations and Godspeed—Class of 1952!

T. R. SALMON

MR. ROSS HIGBEE
Our Former Principal

GREETINGS

My sincere thanks go to Miss Merrick for asking me to write a few words of greeting for the annual. It is an honor to have a part in the making of something which is so distinctly the product of your creative effort.

Let me tell you first of all that no day has passed since last June, and especially since the opening of school in September, that I have not thought many times of good friends at Marshall. Working with you in the formative years of your lives was for me a daily adventure. I learned something new every day.

Trying to make the school curriculum meet the needs of boys and girls in a rapidly changing world was, and of course will continue to be, an experiment. An experiment whose elements are individual human beings, differing each from the other in many ways.

To you of the Senior Class who are now approaching the great day, my heartfelt congratulations. You will soon leave an environment that has set its mark indelibly on personality and character. You have made lifelong friends among teachers and classmates. You have experienced an unselfish interest in your welfare and a patience with your mistakes that few others will have from now on.

May you enjoy the priceless boon of good health. May you practice kindness to your fellows and to every living creature and as a result of your training be better able to earn a decent living in a competitive world.

R. C. HIGBEE

"All Hail! All Hail,"

Senior Adviser

Low in number, but high in spirit are we seniors of 1952. As we walk down the aisle on graduation night, we shall look back on our four years at Marshall. Among other things, we have learned the importance of education in today's world and the value of friendships formed here.

In all our various activities we have had opportunities to become more responsible individuals. Our sincere thanks to Mrs. Kobb, our adviser, to Mr. Higbee and Mr. Salmon, our principals, and to all the members of the faculty, who have encouraged us to strive earnestly to become citizens worthy to be called "the pride of all the West."

Dear Nopth:

Well, you sure deserted me this year didn't you? It's been fun missing you this year. Not that I didn't ever see you of course.... I hope you never forget the silly things we did up at Wisconsin, or even here in St. Paul. (as if you ever could) I have already played tennis this year and my arm is so sore that I can hardly move it. You can think of me slaving away this summer at the State Highway Dept. + you loafing. (lazy) Always remember: "I don't know you and you don't know me." and also 'Mona made a boo-boo.' What about all the popcorn we made and all the cokes I drank. Too bad I can't join you at Marshall next year but it's impossible. Of course you all coming to my graduation and trip me when I walk up the isle (aisle?) Now I know who was supposed to write in this space (R..) Fibber!!! Well, I guess I'll keep Marie company for another and last year at school seeing you're not there. I suppose I wrote enough 3/4 of a page.. You still have to write in mine (Fish) Don't forget all the dances we went to and all the things we did and should have done that we didn't do etc. Figure it out if you can.. Well, I better go to band practice seeing you have company. I hope that I can write in your book again. God bless you and may He grant your fondest wishes and dreams. Take care of yourself and don't do anything I wouldn't do - which gives you a wide field.

All my X Love (Nopth.)

THE JUNIOR CLASS

MISS INEZ STONE
Junior Adviser

The energetic Juniors, under the advisership of Miss Inez Stone, began a successful year by electing their executive council and class officers.

During the year, they selected class rings, made the largest magazine subscription drive in Marshall's history, sponsored an outstanding talent assembly, and planned the ever-important Junior-Senior Prom, which took place at the Prom Ballroom in May.

We wish you continued success in your senior year.

MUSIC

During the past year, our two choirs, the orchestra, the boys' quartet, and the girls' sextet have delighted us with their performances at several assemblies. We particularly enjoyed the Christmas program and the caroling in the halls.

The choristers also sang for P. T. A. meetings, took part in the City Choral Christmas Pageant, and caroled at various hospitals and homes to bring cheer and happiness into the hearts of many children, the ill, and the aged. They have also been heard over the radio, and for the first time, appeared on television.

The sextet and the quartet entertained the faculty and their guests during lunch on E. E. E. Day.

The orchestra under the direction of Mr. Von Hoff, a newcomer at Marshall, is doing good work.

We shall always remember with pleasure "The Music Revue of 1952".

We congratulate Miss Klein for her fine work with the choristers and Mr. Von Hoff for his capable directing of the orchestra.

RADIO WORKSHOP

ROOM 308

Marshall's well-equipped Radio Workshop has proved very helpful and interesting to the speech classes during the year. Here the students are trained by Miss McGowan, and under her direction have taken part in several programs over WMIN. Some of the stories broadcasted were: "Big Brown Bear," "Three Billy Goats Gruff," "Thy Faith Shall Make Thee Whole," and "They Love to Laugh."

We have enjoyed the skits and plays which the speech classes have presented at various times this year. The University assemblies, also, proved interesting.

SPEECH CLASS PLAY

Those who attended the speech department's three act comedy, "Men Are Like Streetcars," spent a most enjoyable evening.

Maudie, a teenager who knew all the answers, with no problem too big for her to solve, was played by Sue Silcox, who performed commendably.

Other members of the cast were: Barbara Blumstein, Pat O'Rourke, Ronald Pollman, Kay Anderson, Charlene Balduc, Elaine Heller, Catherine Fitzpatrick, Helen Roth, Paul Bjorkman, Annette Daniels, Jack Larson, Gary Steinhibel, Tillie Haskins, Barbara Wheeler, and Bill Moynagh.

We thank Miss McGowan and the entire staff for a fine performance.

Many thanks to Mr. Johnson and his stage force for their work on the stage settings.

"MEN ARE LIKE STREETCARS"

Dorothy Martin, Lois Johnson, Marjorie Lundberg, Jeanne Goblisch, and Marlene Larson were most attractive ushers.

STUDENT COUNCIL AND HALL MONITORS

STUDENT COUNCIL

Let's give the team the big fifteen!!!

The Student Council team really deserves fifteen "plus" big cheers for all they have done for Marshall this past year.

We've all really worked together as one big team to bring about the many successful events which have contributed greatly to Marshall's school spirit.

We wish to thank each and every member of the Student Council for the help, initiative and the team-work that they've contributed in making the Waistline Dance, the Homecoming Activities, the Freshman Orientation, the Stardust Dance. E. E. E. Day, and our new project, the Sno-Flake Frolic, such tremendous successes.

Three extra special cheers should be given to our team leaders, Gerry Carlson, the president; and Mr. Rossini, the adviser, for their help in building "Our Marshall Student Council".

TRI-ARTS CLUB AND HISTORICAL SOCIETY

TRI-ARTS CLUB

Fame comes in many different ways. Perhaps in our Tri-Arts Club there may be some future Renoirs, Whistlers, or Sargents. The basis for membership in this club is a genuine interest in, and a plan for, continuation in this field.

The members are social-minded too and held an initiation banquet, a picnic, and other gatherings just for fun. Mrs. Helen McKenney is the faculty adviser.

HISTORICAL SOCIETY

The Historical Society, a new organization at Marshall this year, will cover the newspapers daily in search of memorable information about our graduates. All material will be filed for future reference. Miss Judith Eiken is in charge and works with a diligent staff. We think this club is a valuable addition to our extra-curricular program.

LIBRARY CLUB AND RED CROSS CLUB

LIBRARY CLUB

During their study periods, the members of the Library Club "lend a hand" to Miss Margaret Moroney, our librarian, by filing cards and checking off and locating books for students using the library.

Two very pleasant social events this year were the Christmas and the Valentine parties.

RED CROSS CLUB

Each and every member of the Red Cross Club has offered his "heart and hand" to put through these activities this year: the cheerful singing at the Hastings Hospital, the filling of Christmas boxes for homeless children in other lands, and the collecting of school contributions to the Red Cross Fund. We are proud of this club and its alert adviser, Miss Gladys Scheiber.

BOOSTER CLUB

One of the newest and probably the largest organizations at Marshall this year is the Booster Club, with Mrs. Henry as its unanimously chosen adviser, and Marian Williams as its first elected president. It aims to unify the junior and senior girls, to support the various sports and money raising affairs, to try to improve the school spirit, and to take part in other worthwhile activities. Here are some of the accomplishments of these girls: They made pompons and sold them at the football games, sponsored the March of Dimes for 1952, sang at Welfare Homes and distributed Christmas baskets to the needy. This club has made a fine beginning, and we wish it continued success in the future.

Dear Ramona,

I'm sure glad you came to Maralak this year. We sure have had fun haven't we? I hope we get in some of the same classes next year. Will have to get together this summer and do a lot of things. Don't work too hard this summer at the dime store. Remember Guy and Ruthie, and lets hope we get in Henry's next year. Stay as nice as you are, and loads of luck to a cute girl. Be good to Dick and I hope you have lots of success with him.

Love,
Barbara J.

Dear Ramona, I'm happy to say that I know you and if it has been for so short awhile it seems that I have known you all my life. Where have you been all my life anyway. When we get back to school next year I hope we can get together and talk a little. Be sweet as ever and think of me a little, please, and I will be grateful and proud to know that you might one day in the future say that I can get to call you once in a while and wish I could get to talk to you once and see if you have any thing to say for yourself.

Bey for now, you'll be seeing me around, I hope.

Love, always,
Dickie

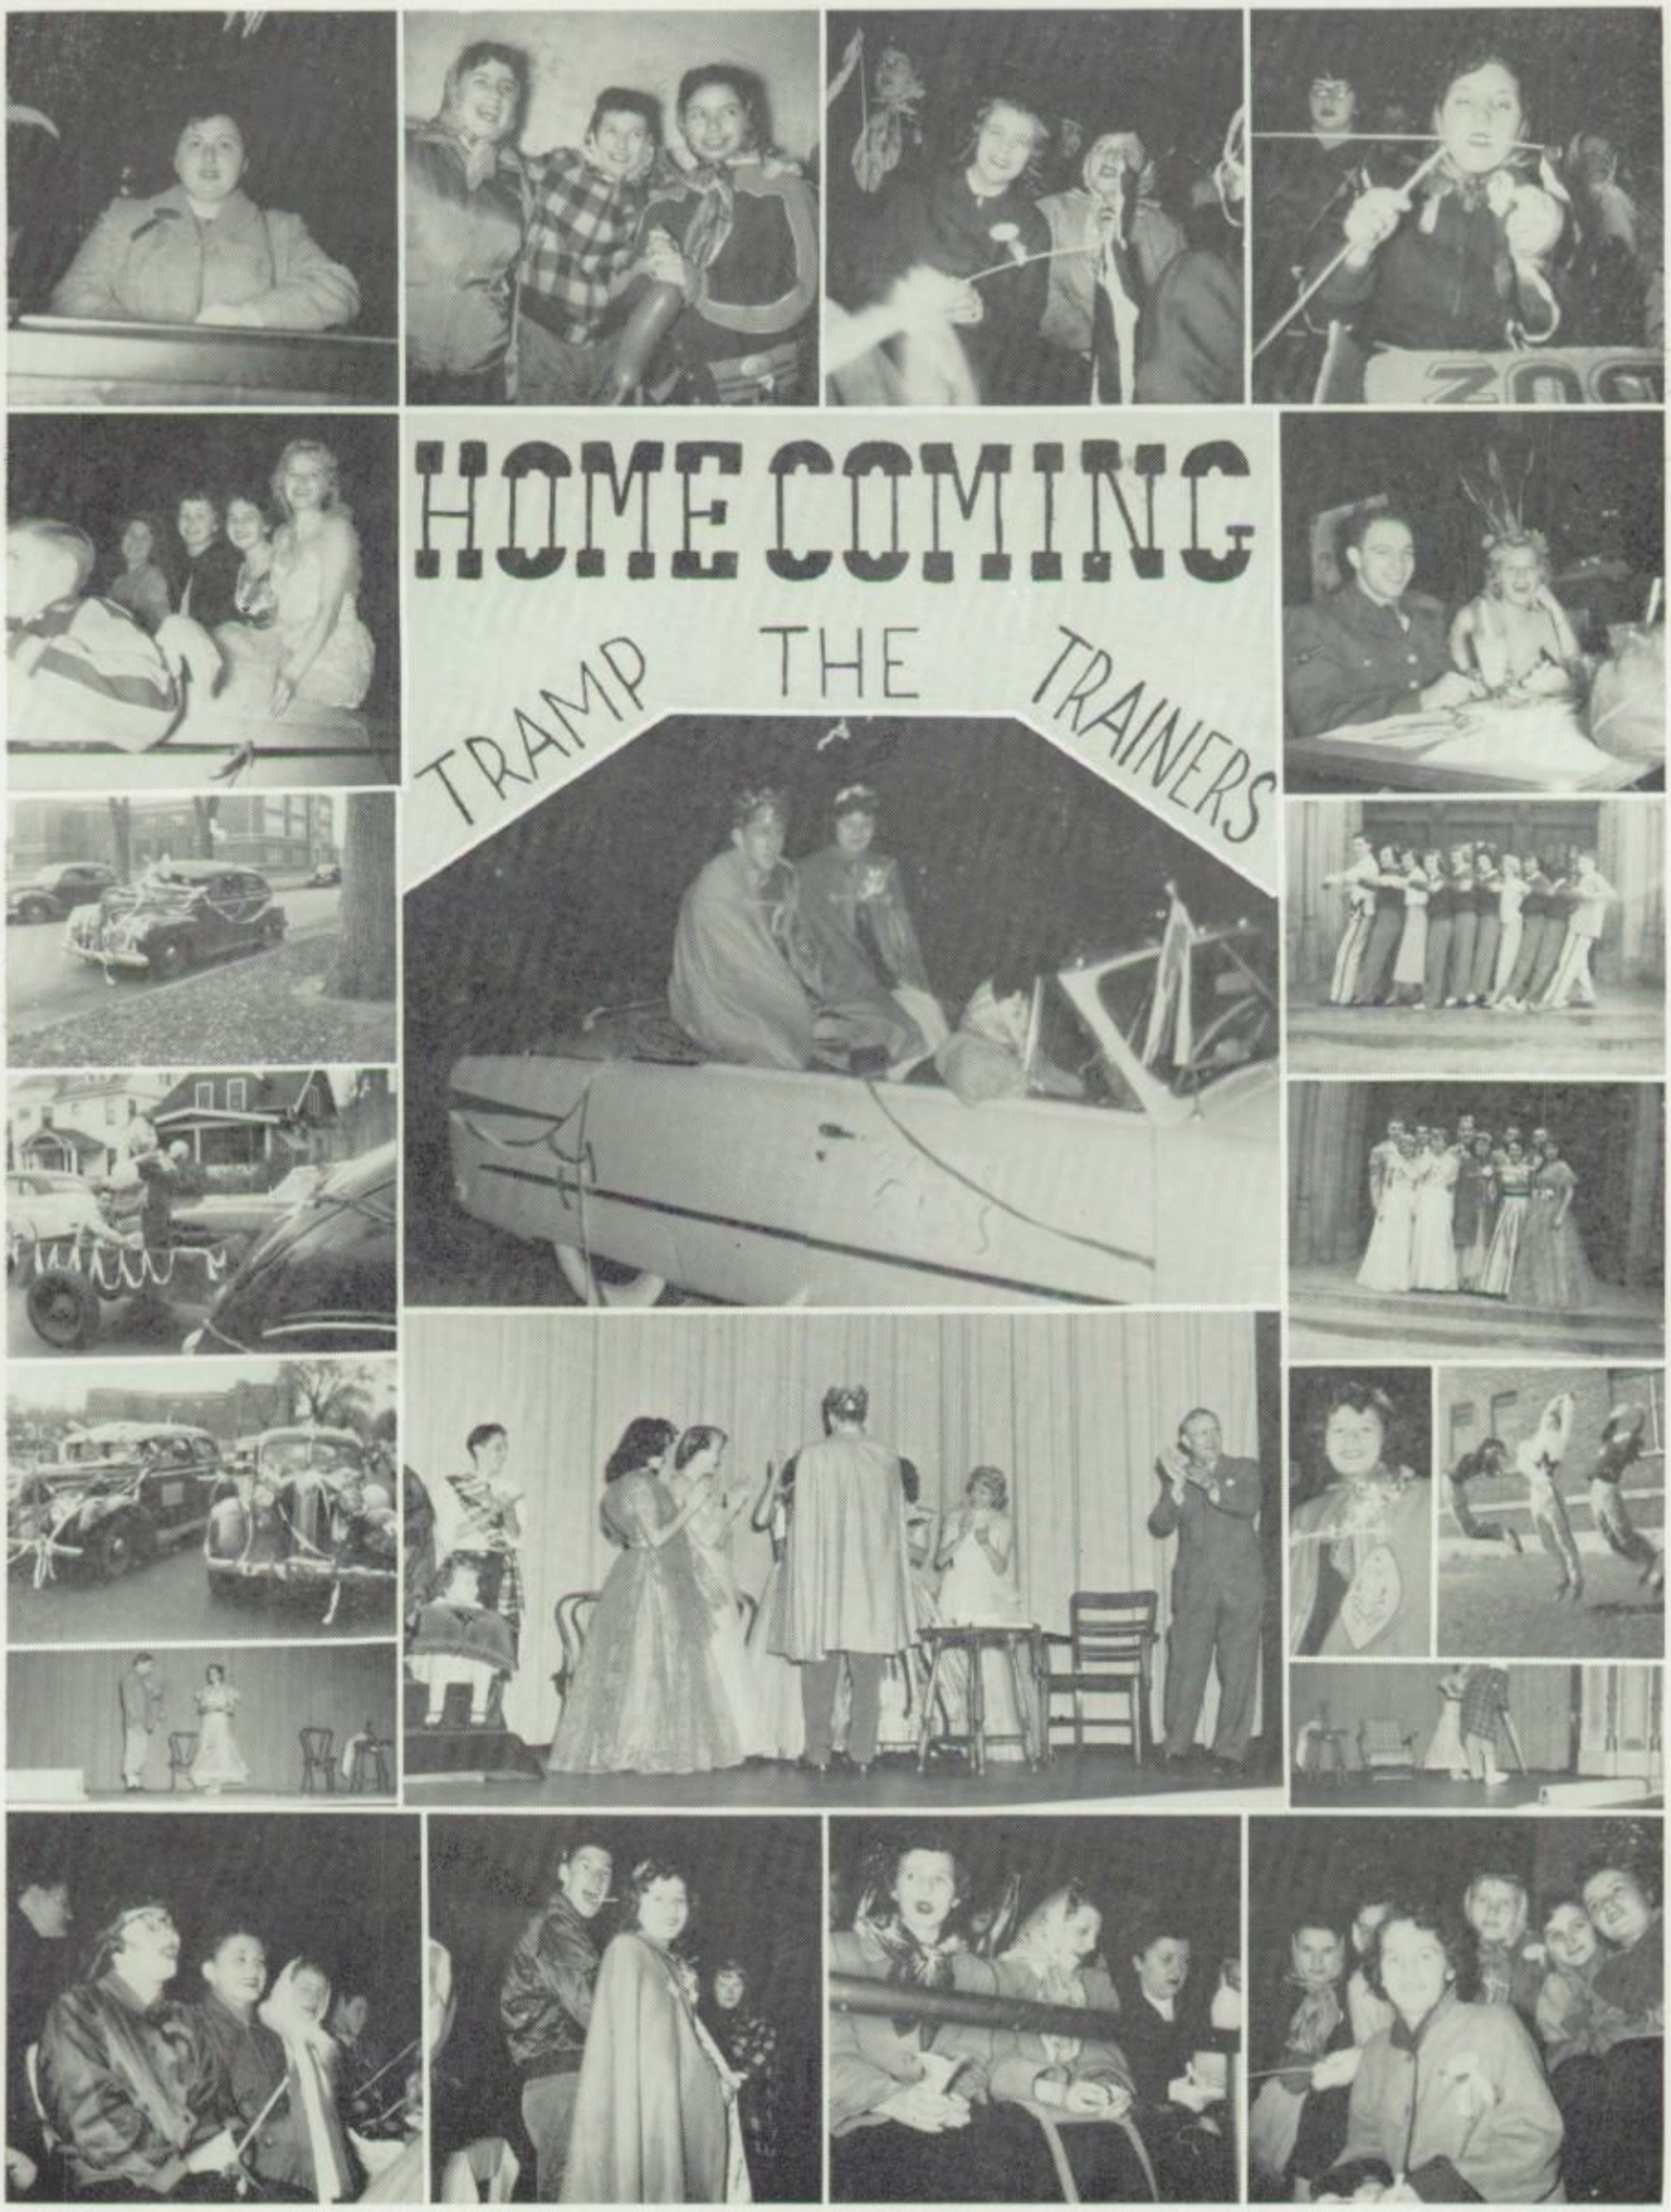
The morning of October 18 dawned cloudy and gloomy, but the Marshall Homecoming spirit roared forth with a fiery brilliance that lit up the gray surroundings.

The theme of our Homecoming assembly was "Western." And Western it was! Guns were booming, Cow-girls a-chuckling, and Cow-boys hooting with a wild joy which was very contagious. To conclude the assembly Mr. Higbee, our former principal, crowned Becky Coulouris and John Furey—king and queen of our Homecoming festivities.

In the afternoon our accustomed parade followed, and it was really a gala affair.

With the cry of "Tramp the Trainers," our Western spirit was still evident at the game that evening. Our vim, vigor, and vitality was dampened by the outcome, but our fiery homecoming spirit still lingered and burst forth gallantly the following evening at our annual Homecoming Dance. What fun it was!

"WE SAW YOU" AT HOMECOMING



Here are some candid camera shots taken by our staff photographers at the football game, the parade, and at the assembly.

FIELD TRIPS AND JUNIOR ACHIEVEMENT

A familiar sight at Marshall this year was the arrival of the big bus to take students on field trips. The pictures above show a group of seniors, accompanied by Mrs. Henry, visiting the Red Cross Center on Kellogg Boulevard. Miss Scheiber, also, took her senior classes to this Center. Fifteen students from these groups were blood donors.

Places visited by other classes were: Ford Plant, Armour Company, St. Paul Dispatch, Union Depot, Coca Cola Plant, St. Paul Post Office, Minnesota Institute of Art, Schuneman's Clothing Department, and the Norris Gym at the University of Minnesota.

JUNIOR ACHIEVEMENT

The purpose of Junior Achievement is to interest high school students in our free enterprise. They work in groups of ten to fifteen and each group actually operates a miniature business.

A few of the businesses operated by Marshall students are: Handi Dandi Novelty Co., Junior Achivement Publishing Co., Choppy Manufacturing Co., and the Gopher Printing Co.

There are now 31 Junior Achievement companies in St. Paul, which employ 478 teenagers and have more than 5,000 stockholders.

Students from Marshall who belong are:

May Andrewson, Jeanne Garske, Joanne Carlson, Yvonne Duckstad, Rosalie Diamond, Shirley Weiss, Charlene Balduc, Byron Crushshon, Hunter Vasser, Bob Duccisin, Michelle Zarembinski, Lorraine Gittens, Jerome Dalnes, Gloria Peyer, Rita Gransberg, Earl Neil and Sheila Gale.

1951 FOOTBALL SEASON

With only 10 lettermen returning from the 1950 squad, Coach Rollie Moynagh used a young team and wound up in 6th place in the St. Paul conference. With just seven seniors graduating, the future outlook is bright for next season.

Dick Blakely made the All-City 1st team at Halfback. Johnny Furey was chosen for 2nd team Center. Bill Sandercock, End, and Jack Payette, Fullback, were Honorable Mention.

Murray, the city champions of St. Paul, dumped Marshall in the season's opener 13-0. Marshall's offense and defense just couldn't hold up.

The Greyhounds celebrated Rollie Moynagh's 100th game as Marshall's coach by overwhelming Washington, the defending city champs. Marshall's 33-20 win set an overall point record for one game in city prep football. It was the individual brilliance of Dick Blakely that was far and away the outstanding feature of the victory.* Dick heralded a great season for himself as he scored four touchdowns.

After leading on Jack Payette's touchdown for the better part of three quarters, Marshall was upset by Johnson 13-7. The Governor's tied the score late in the third quarter and scored the winning six points with only minutes remaining in the game.

Against Central, Dick Blakely scored two touchdowns and Jack Payette one to lead the Red and Grey to its second triumph of the year. The Minutemen finally put across a TD with six minutes left to make the final count 18-6.

Wilson and Marshall had to walk off the gridiron satisfied with a 0-0 tie. Wilson was just fresh from beating champion Murray, but the Hounds, after a two-week layoff due to the postponed Monroe game, couldn't get an offense put together.

A Homecoming victory is the most sought-after win of the year. The Double Homecoming football game between Marshall and Mechanic Arts was one of the hardest played games of the season. When the contest was over, the Trainers from Mechanic Arts emerged the victor 13-0. This was only the second time in the history of the two schools that Mechanics has beaten Marshall.

Marshall was favored before the game to brush aside the Indians with comparative ease. As it turned out the score at the end was 7-6 with Humboldt on the short end. The Greyhounds dominated the play, but could muster up only one TD on Dick Blakely's 41 yard scamper.

Coach Rollie Moynagh sums up this year's campaign with these words:

"We have finished a very successful season considering the many injuries and the smallness of the squad. This is the smallest squad that I have ever had during my coaching career. We are looking forward to a good season next year if the boys work up to their maximum abilities."

*Don Weller, sophomore halfback, also scored a touch-down in the Washington game.

DISTRICT 15

Marshall.....37 Washington 46

Coach Cody Hanzel's bucketeers rolled to fourth place in the city conference race, completing the season with a five win and a four loss record.

In the opener against Monroe the teams played a close game, the first half with Monroe leading 16-15. In the third quarter the Greenies broke the game wide open and won going away 41-27. Dreier and Calof counted 10 and 8 points for the Hounds.

Murray and Marshall were both ice cold, and as a result when the final gun sounded Murray was ahead 27-24. Dreier, Blakley, and Gutzman were about the only ones to find the range with 7, 6, and 6 points respectively.

The Red and Gray exploded with a bang and everything they did against Johnson was right in the first game after the Christmas vacation. The final score after the drubbing was 46-28. Blakley was hot for 21 points and Dreier also got 13.

Marshall started like a whirlwind and was ahead in the early part of the game against City Champ Washington. The Greyhounds cooled, however, and Washington won a scorcher 40-36. Calof and Blakley were the high men for Marshall with 13 and 8 points.

The Central Marshall game was loaded with thrills as the lead seesawed during the whole game. Dreier and Blakley dumped 12 and 9 markers in the suspenseful game as Marshall stalled to a 32-30 victory.

Dreier and Blakley with 18 and 15 points kept Harding in the cellar as the Greyhounds had another good night. The final count read 52-39.

Marshall's largest crowd of the year cheered in vain as Humboldt scored 44 points to Marshall's' 39 in a tight contest all the way. Blakley and Dreier were again high with 9 apiece.

Ninth place Mechanics caught Marshall on an off, off, night and almost upset the Greyhounds. Dreier had 10 and Rogers 8 to help the cause as the Hounds barely sneaked out a 28-26 overtime win.

Wilson wasn't ready for big Jerry Dreier who swished the nets for 22 points and a Marshall 49-46 margin.

In the first game of the district, Washington again stopped Marshall to the tune of 44-37. Dreier was high with 14 and Rogers contributed 7 points.

Quote Cody Hanzel: "Due to early season injuries, the team got off to a bad start, but gave a good account of themselves later. With only Dave Rogers graduating from the squad, Marshall should be tough next year."

TRACK

Under the combined tutoring of Coaches Ken Hamann and Dave Brill, Marshall's fleet cindermen sprinted and jumped to the City Track Championship. Although Mr. Hamann laid the groundwork, Dave did a fine job in carrying the team through to victory.

Earlier in the season, the Relay Carnival trophy was acquired as the Hounds made a clean sweep of the city's two big track meets. This makes the third straight year that Marshall has captured the Relay Carnival Championship, and this year also marked the first time any school has come up with St. Paul's Grand Slam in track.

The Greyhounds were also unbeaten in their five dual meets. Marshall has lost only one dual meet in the last three years; that to Central in 1949.

In the State meet held at the University of Minnesota, David Rogers tied for 4th in the Pole Vault and Frank Thompson tied for 5th in the High Jump.

Coach Rollie Moynagh fielded a 1951 team composed of mostly sophomores and juniors. The Hounds finished the season with a 1-8 record and placed ninth in the city. They dropped two games by one-run margins to bring this total to 19 one-run defeats in the past six seasons.

Coach Moynagh will have an almost all veteran team returning, losing only three by graduation. Maybe 1952 will be Marshall's turn in the first division?
